

## **Summer Reading Programs 2023 Central Library**

### **Youth Literacy Mentors @ Central**

**Tuesdays, July 11 – August 22 from 2 - 4 pm**

**Computer Lab**

**Teens Ages 13-18**

Work cooperatively with your friends and classmates to create and edit a magazine for children ages 6-12. During this 7-week program we'll cover topics related to graphic design and children's literature in addition to working on articles, art, and activities for the magazine. You'll gain volunteer experience that can be applied in the future and enhance your job and college applications.

**Registration Required**
