Summer Reading Newsletter

The end of the school year is quickly approaching and this summer Maxwell Memorial Library and Fairmount Community Library are joining forces to offer an exciting variety of programs for all kids of all ages. Join us for the **2023 All Together Now** Summer Reading program and track your reading minutes online for a convenient way to earn weekly prizes when you read at least 20 minutes per day! Summer reading lists are available for birth - preschool and grades K-2, 3-5, and 6-8.

Enjoy something on the go,
For the entire family!

Read books, register and attend programs, earn prizes & more!
 Register online under Summer Reading starting **June 1st**. Log books you read weekly between **June 20th - August 19th**. Read 20 minutes per day and be entered to win a prize every single week. Sign up today at www.fairmountlibrary.org/summer-reading/

Summer Reading Kickoff Event

When: Thursday, June 29th at 6:00 p.m. in Shove Park (Registration is Required)

Join us for the FCL's Summer Learning Kickoff! We will be at the Shove Park Pavilion with craft stations, summer reading logs, summer learning program brochures, and hands-on activities for the whole family to enjoy!

Book Club Kickoff Party

When: Tuesday, July 11th at 2:00 p.m. (Registration is Required)

Meet us at the Shove Park Pavilion to celebrate the FCL Kids Summer Book Club selection! We will be revealing clues on our facebook page leading up to the big reveal! We'll have snacks, drinks, crafts, games and so much fun to kick off the summer book club! **Registration opens June 20th**, check our calendar for more details at <https://www.fairmountlibrary.org>.

Pollinator Palooza

When: Wednesday, July 12th at 2:00 p.m. in Shove Park (Registration is Required)

Come to Shove Park Pavilion and learn about pollinators! We will read, learn and do a craft all about bees and butterflies.

MOST presents: Summer Learning at the Park!

When: Thursday, July 13th at 6:00 p.m. in Shove Park (Registration is Required)

FCL welcomes an educator from the Museum of Science and Technology for an evening program for children ages 6-10. With the summer learning theme of *All Together Now*, the presentation will be all about the systems of the human body, since they work all together to allow the human body to function.

FCL Coding Camp

When: Tuesday, July 18th from 5:00 to 7:00 p.m. (Registration is Required)

Register and attend FCL Coding Camp. Children ages 7-10 can build robots and then take them through an obstacle challenge course that they design. Snacks and drinks provided.

FCL Star Party

When: Tuesday, July 25th at 8:45 p.m. (Registration is Required)

Meet us outside along with leaders of the Syracuse Astronomical Society, syracuse-astro.org, and we will look at the moon and stars through their giant telescopes! Hear all about how we can observe the night sky at home in our own backyard. This program is for all ages!

STEAM Camp

When: Wednesday, July 26th at 10:15 a.m. in Shove Park (Registration is Required)

Calling all future makers! Meet at Shove Park Pavilion for fun and STEM learning. We will create a STEAM toy with our bare hands! Sponsored by kidsmakethingsbetter.com. Best for kids 6-10 years.

Zoo to You

When: Wednesday, August 2nd at 6:00 p.m. (Virtual) (Registration is Required)

Learn what it means to be a conservationist and how our community can work together to save our planet. Join the Zoo To You crew to find out what we do to help the Earth, and how you can help, too. Participants will be emailed the link to attend.

Win prizes when you track your summer reading on  **beanstack!**

Once the program gets rolling on **July 1st**, return to **ReadSquared** to record your reading! For every **20 minutes read**, you can enter your name into one of our raffle jars. Make sure to stop in the library to put your name in the jar of your choice! You have until **5 PM August 17th** to get your logging done and your raffle tickets in.

Wild Wednesday: The MOST

When: Wednesday, July 5th at 6:00 p.m.

Learn about the human body by exploring the different systems within it. Discover the main purposes of each system and the ways they interact, allowing us to accomplish the amazing things we do every day!

Thrilling Thursday: Swimming in Stories!

When: Thursday, July 13th at 6:00 p.m.

Join Regi Carpenter as she shares stories of underwater tea parties, crafty alligators, and smart monkeys. This is a fun, rollicking, participatory story hour! Don't miss it!

Terrific Tuesday: Zoo to You

When: Tuesday, July 18th at 5:00 p.m.

Learn what it means to be a conservationist and how our community can work together to save our planet. Join the Zoo To You crew to find out what we do to help the Earth, and how you can help, too. Meet some of our small but mighty friends who we can team up with to advocate and act for the good of our environment! Artifacts and living specimens will be on-hand for you to interact with.

Thrilling Thursday: Dan the Snakeman

When: Thursday, July 27th at 6:00 p.m.

Dan the Snakeman is back for another exciting program all about reptiles. This is a hands-on experience! Participants will have the opportunity to hold most of the reptiles that Dan brings along with him!

Terrific Tuesday: Jeff the Magic Man

When: Tuesday, August 1st at 6:00 p.m.

Join us for this fun, entertaining, interactive magic show where friends always stick together!

Wild Wednesday: Captain Jack

When: Wednesday, August 16th at 6:00 p.m.

Do you love Pirates? Then this is the program for you! Come and meet a real Pirate who will read you stories and have other fun activities! You will also be able to become a pirate by the end of this program!

End of Summer Reading Party

When: Thursday, August 17th at 5:00 p.m. Registration begins July 1st

Did you participate in this year's summer reading program for kids and teens? Did you enter your name into one of our prize jars? There will be free books, cookies, find out who won the raffle prizes, and more! **Registration is required** in order to plan for amount of cookies needed.

Win prizes when you track your summer reading on **READ squared!** Habit Forming
