INTRODUCTION

This is a directory of organizations in Onondaga County that provide adults with instruction in basic literacy and math, training in job readiness and job search, GED preparation, and English for Speakers of Other Languages (ESOL). Also included are a list of organizations from which additional resources and information can be obtained, and a list of agencies which serve populations with special needs. More specific program information is available upon request from each of these organizations. The information in this guide may also be found on the Onondaga County Public Library's Literacy Internet site: <http://www.onlib.org/website/providers.htm>

NOTE: Many agencies have listed an e-mail contact address marked "for provider use only." This is for use by other literacy agency staff and should not be given out to the public or potential students.

ORGANIZATION: ONONDAGA COMMUNITY COLLEGE (OCC)
ADDRESS: 4941 Onondaga Road., Syracuse, NY 13215-2099
PHONE: (315) 498-2507
CONTACT(S): Nancy Hazzard, Center for Academic Achievement
Ellen Hale, Study Skills Center
INTERNET SITE: <http://www.sunyocc.edu>
E-MAIL: For provider use only: hazzardn@sunyocc.edu

PROGRAM DESCRIPTION:

Offers credit and non-credit courses as well as tutorial assistance to OCC students who need to improve their basic math, writing, reading, and/or study skills. Developmental and college-level reading, vocabulary building, learning strategies; conquering math anxiety; remedial math (arithmetic, basic and intermediate algebra) are available. College-credit ESL courses in reading, written and oral communication are offered. Professional process tutoring and peer content tutoring support can be used as determined appropriate to the individual need. Based on placement test results, needed remediation in basic skills is mandated.

The non-high school graduate option permits capable individuals who do not yet possess a high school diploma or GED to enroll at OCC. Once 24 college-level credits specified by the NYS Education Department are satisfactorily completed, s/he may then apply for a NYS High School Equivalency Diploma. Interested individuals must first complete educational assessment (placement tests in English, reading, and math) to determine whether or not they are eligible to enroll for this option.

STUDENT ELIGIBILITY REQUIREMENTS:

- Age 16 - minimum.
- Applicants must have a regular high school diploma or GED - if not they must take placement tests and be interviewed prior to consideration for acceptance.

CLASS SCHEDULE:

- Courses held on various days and times.
- Services are more readily available days (Monday-Friday) on campus.
Call for additional information.

REGISTRATION INFORMATION:

- Preferably by appointment. Some walk-ins (i.e. latecomers). Pretest/interview for non-high school graduates.
- There is no waiting list for general acceptance/enrollment. However there can be waiting lists for specific curricula (i.e. Nursing) and specific courses (i.e. Anatomy & Physiology) may not be readily available.

COST TO STUDENTS:

- Tuition and fees are charged based on the number and type of credit or equivalent credit hours for which the student enrolls. Additional fees are charged for courses with a lab or expensive supplies.

CONTINUED ON NEXT PAGE

ONONDAGA COMMUNITY COLLEGE (OCC) INFORMATION CONTINUED

FINANCIAL ASSISTANCE:

- College financial aid includes federal and state grants; student loans and other campus-based aid may also be available. Each student's assets and need are considered via standard application and "packaging" process. For details call OCC Financial Aid Office. Note that federal financial aid CANNOT be used for lowest level reading or arithmetic course.

FREQUENTLY ASKED QUESTIONS:

May students participate in this program if they...

- are in other literacy programs? YES.
 - have a high school diploma? YES.
 - have an IEP diploma? Depends on skills levels. Not ordinarily.
- Does organization...
- offer programs where adults & children learn together? NO.
 - allow signing up for individual subject(s)? YES.
 - offer home study or other self-paced programs? YES. Math Diagnostic & Prescription Service is available to incoming students to help refresh basic arithmetic or algebraic skills prior to formal attendance in a course. On OCC campus, day/evening hours by appointment. Student takes packets home to work on at his/her own pace. Diagnostician/tutor available to assist if needed. Post-tests are given after each packet. Students often progress to the next level of math without paying for or attending a formal class.
 - have open house, information seminars, etc.? YES. By appointment only (days). Visits and information through Admissions Office.
 - provide accessibility to wheelchairs? YES.
 - offer arrangements if students cannot come to the office? N/A Students are expected to enroll in classes at OCC.
 - provide interpreters (Sign-language, Spanish, other)? YES. Sign-language.
 - have childcare available? YES. On-site (limited).
At a cost (some financial assistance available, i.e., for DSS clients).
 - fund transportation for students? NO. But the campus is CENTRO accessible.
 - use volunteer tutors? YES. Sometimes.
 - charge for tutor training? NO.
 - offer computer-aided instruction? YES. Only limited instruction.
Basic ESOL software available in the OCC Writing Skills Center.

**ORGANIZATION: ONONDAGA-CORTLAND-MADISON (OCM BOCES)
ADULT EDUCATION, ENGLISH AS A SECOND LANGUAGE
AND CAREER TRAINING CENTER**

ADDRESS: 4500 Crown Road, Liverpool, NY 13090

PHONE: (315) 472-0130

CONTACT(S): Marlena Daher-Rahman, Associate Director

INTERNET SITE: <http://www.morrisville.edu/eoc>

PROGRAM DESCRIPTION:

The High School Equivalency Program is divided into 5-week sessions. The length of time it takes a student to complete it varies depending on reading level, attendance, learning retention rate, out-of-class study time, personal goals, motivation, and other factors. The program consists of the following courses: Reading, English, and Mathematics. The primary purpose of the HSE Program is to prepare students for the state GED examination.

The Preparation for Academic, Vocational or Technical Program is designed for individuals whose reading score on the Test of Adult Basic Education (TABE) ranges from 6.4-8.5. The program provides students with fundamental skills in reading, math, and English that would insure success in an academic, vocational or technical program of their choice.

The Academic Preparation Program is designed for individuals whose reading score on the TABE ranges from 4.0-6.3. This basic course in reading, math, and English prepares students for entry into other EOC programs. The major goal of this program is to raise the reading level of students.

The Career Training & College Preparation Program has as its major focus the preparation of students for careers in their chosen field and/or entry into college. This program consists of a core curriculum of Reading, English, Mathematics, and Natural Science with elective courses in Library Skills, Basic Keyboarding, and other student need based offerings.

Intermediate English-as-a-Second-Language Program is an intermediate level program consisting of courses in conversation, pronunciation, reading and vocabulary development which is designed to give students the language skills needed to enter the work place. Daily practice in conversation, pronunciation, reading and vocabulary development gives ESL students the confidence and knowledge needed to secure a job and become a contributing member of society.
