INTRODUCTION
Ms. Park introduced Amanda Schiavulli, new Coordinator for Member Services. Ms. Schiavulli gave a brief background on herself and mentioned how excited she is to be part of OCPL.

EXECUTIVE DIRECTOR’S REPORT
Ms. Park reviewed her report to the Board.
She covered the following topics:
- Personnel:
  - Administrative Intern (Integrated Tech Librarian) position has been filled. Zachary Burnham will begin in early February.
  - Ms. Park acknowledged LuAnn Sims’ recent retirement after 38 years with OCPL.
  - Professional Development: Ms. Hurst-Wahl inquired about professional development for librarians in obtaining their sixty hours of training within five years.
to keep their public certification. Ms. Park mentioned webinars, conferences, workshops and Staff Development Day as some of the options offered to help them acquire their sixty hours. Mr. Kochian also pointed out training for our newly appointed managers.

- **NYS Library:** A work group of the NYS Library and PULISDO has released a new publication, *Helpful Information for Meeting Minimum Public Library Standards in New York State.* The 2018 revised *Guide* (available online) covers amendments to existing standards and three new minimum standards that were adopted in July 2018 – library programming, annual technology training for staff and partnerships with education, cultural and community organizations. The implementation timeline calls for all current standards to expire December 31, 2020 and all “new” updated standards to take effect on January 1, 2021.

- **State Budget:** Governor Cuomo gave his State of the State address and spoke on the $1.72 billion dollar budget with the emphasis on education.

- **Advocacy:** The New York Library Association has posted its advocacy agenda online and outlined the legislative priorities for the 2019 budget cycle. This includes funding to establish and maintain licensed social workers at each public library system, tasked with connecting vulnerable New Yorkers with community-based organizations and service agencies.

- **Delivery:** there is bit longer turnaround time due to snow days and libraries being closed due to the weather.

- **Stirpe/Food Bank Photo Op:** Ms. Park participated in a photo op with Assemblymember Stirpe and Food Bank executive director Kathleen Stress for OCPL’s partnership with his office on their annual Food Bank drive.

- **Junior League:** Mr. Park stated they approached the library to discuss their 100th anniversary in 2020 and the possibility of doing something with the Central Library. They are in the beginning stages and are not quite sure what they are looking for exactly. They are thinking along the lines of a dedicated space for the 9-12 year old age range where they could come in and volunteer and offer classes etc. that would hold their namesake. The Board mentioned to have the Junior League present something on paper that Ms. Park could present to the Board at a future meeting.

- **Breastfeeding Room:** final touches are being completed.
