  a) Discussed her priorities for the current year which included:
     - Bookmobile
     - Data
     - Library message and the board communications
     - Board vacancies
What data and information will help us understand the impact of our libraries, as well as the direction they are taking?

a) Data: discussion on the types of data to be collected and the duration of the various stats that are being provided

Ms. Marmor explained the data she complied for the branches for the month of January. Ms. Hurst-Wahl commented on the data regarding the heavy usage of Petit branch and how it doesn’t have a community room or space for patrons for communication purposes. It shows the need for some kind of attention.

Ms. Marmor was asked to continue compiling the data for the next few months. Ms. Hurst-Wahl thanked Ms. Marmor for the colorful chart regarding the city branches.

What information do we want to communicate to our constituents?

a) Will be discussed at a future meeting
