

2025 CNY Community Foundation Off-Cycle Grant – Soule Branch

The Onondaga County Public Library is submitting an application for a CNY Community Foundation Off-Cycle Grant. If awarded, funds would go towards equipment, ingredients, and instructors needed to run a year-long series of kitchen literacy classes at Soule Branch. Classes would be taught by professional chefs hired through the Kitchen Literacy Project, as well as farmers from Salt City Harvest Farm. Topics would include basic kitchen skills, food preservation, nutrition education, and advice for eating healthy, locally-sourced foods on a restricted budget. The budget for this grant request is \$2,000.
