For Children

A Visit with CNY Nature
Tuesday, June 4, 4:30 PM
Come see what our friends from CNY Nature have for us this month! No registration required. Children of all ages welcome. KidSpace, Level 2.

Read, Sing, Play! Storytime
Wednesdays, June 5, 12, 19, 26, 10:30 - 11:00 AM
Share the joy of books with your children. Read, Sing and Play with them so they will be ready to read. No registration required. Children of all ages welcome. KidSpace, Level 2.

For Teens

Safe Place to Game with TCGplayer
Thursdays, June 6, 13, 20, 3:00 - 4:30 PM
Whether you love trading card games, are just learning to play, or wish to test your skills against other video game players, this program is for you! Join TCGplayer for an afternoon of gaming fun. For teens ages 12 – 19. Community Room, Level 1.

Planned Parenthood Office Hours
Thursdays, June 13 & 27, 3:30 - 4:30 PM
Planned Parenthood educator Mallory will distribute brochures, fact sheets and give-a-ways, answer questions and talk to teens one-on-one about family planning, sexual health, sexually transmitted infections and HIV/AIDS, minors’ rights and much more. All materials include information about where to access low-cost reproductive health care. If appropriate, referrals will be made to partner agencies for additional service needs. For teens and young adults. TeenSpace, Level 1.

For Adults

TOEFL Study
Tuesdays, June 4, 11, 25, 11:00 AM - 12:45 PM
Practice speaking, vocabulary, and writing skills with other students studying for the TOEFL exam. To join call (315) 435-1835. For adults. Computer Lab, Level 2. (Note: There will be no class on June 18)

Basic Computer Instruction
Tuesdays & Fridays, June 4, 7, 11, 14, 18, 21, 25, 28, 1:00 - 3:00 PM
Basic one-on-one computer instruction offered on a walk-in basis for the following topics: How to write a resume or cover letter, create a word processing document, set up a web e-mail account or search the Internet. Sessions may include a short instructional video on the topic and/or brief, practical application assistance. No appointments necessary. For adults. Computer Lab, Level 2.

Conversation Group for English Language Learners
Tuesdays & Thursdays, June 4, 6, 11, 13, 25, 27, 1:15 - 3:00 PM
Are you looking for an opportunity to practice your English speaking and listening skills? Join our conversation group where you can meet other learners for informal conversation in a relaxed and fun environment. Adults who wish to join a class should call (315) 435-1835 for details. Laptop Lab, Level 2. (Note: There will be no classes on June 18 & 20)

Spanish Conversation Group
Wednesdays, June 5, 12, 19, 26, 1:00 - 2:00 PM
Practice your Spanish conversation skills with native Spanish speakers in a relaxed environment. Participants should have a basic knowledge of Spanish. Adults who wish to join a class should call (315) 435-1835 for details. Laptop Lab, Level 2.

TASC and TABE Study
Thursdays, June 6, 12, 27, 9:00 - 11:00 AM
Use your own laptop or a library laptop to study reading and math skills to improve your score on the TASC or TABE exams. To register, call (315) 435-1835. For adults. Laptop Lab, Level 2. (Note: There will be no class on June 20)

Page Turners Book Club
Tuesday, June 11, 5:30 - 6:30 PM
Join us for this special Tuesday Page Turners event with Patricia Ann Burak, Professor of Russian Literature at Syracuse University. She will be giving a lecture on Dostoevsky and Crime and Punishment. For adults, no registration necessary. Community Room, Level 1.

Talk to a Lawyer
Thursdays, June 13 & 27, Noon - 1:30 PM
Need help with your legal problems? Talk to a lawyer for free on the second and fourth Thursday of the month. Volunteer lawyers will answer your questions on a first come, first served basis. Please arrive early and sign in as space is limited. For adults. CNY Meeting Room, Level 3.

For Teens & Adults

GarageBand, Logic Pro X and iMovie Basics
Wednesdays, June 5, 12, 19, 26, 10:00 AM - Noon
Learn the basics of audio or video production in GarageBand, Logic Pro X, and iMovie in this weekly walk-in training. During the 15-minute long training, MakerSpace staff will teach you the basics of starting your GarageBand, Logic Pro X, or iMovie project and will point you to additional training resources available through Lynda.com. For teens and adults. MakerSpace, Level 1.

3D Printing
Wednesdays, June 5, 12, 19, 26, 3:30 - 4:00 PM
Join us on Wednesdays and print a small 3D object found on thingiverse.com! 3D prints will be handled on first come, first serve basis and will need to be picked up at a later point due to print time. For teens and adults. MakerSpace, Level 1.

National Black Leadership Commission on AIDS
Thursday, June 6, 11:00 AM - 1:00 PM
Under the leadership of NBLCA several nonprofit health organizations will be on hand to share resources and information on AIDS prevention and support services for housing, testing and treatment for persons with chronic diseases. No registration necessary. For teens and adults. Level 1.

For Children:

Summer Learning Kickoff Party!
Friday, June 28, 2:30 PM
This summer we're exploring a Universe of Stories. We'll start by building rockets, making space creature headbands, taking NASA selfies, and signing up to blast off. No registration required. Children of all ages welcome. KidSpace, Level 2.
For Teens & Adults - continued

Math for GED/TASC and Tutoring
Thursdays, June 6, 13, 20, 27, 3:00 - 4:00 PM
Join MakerSpace volunteer Bill and brush up on your math skills for GED/TASC testing, or general math tutoring. Please bring in questions or examples of the type of math problems that you need help with. For teens and adults. MakerSpace, Level 1.

Meditation with Casey
Friday, June 7, 10:00 - 11:00 AM
Join us for meditation guided by MakerSpace volunteer Casey R. We will practice techniques that allow a calmer, more peaceful life. For teens and adults. Community Room, Level 1.

Open Art Studio
Fridays, June 7, 14, 21, 28, 10:00 AM – 4:00 PM
Stop by the MakerSpace every Friday and use a variety of art supplies to create artwork of your own choosing. No registration necessary. For teens and adults. MakerSpace, Level 1.

Logic Pro X with Khalid
Fridays, June 7, 14, 21, 28, 11:00 AM - Noon
Learn the basics of audio production in Logic Pro X with MakerSpace audio engineer Khalid. During the training, Khalid will teach you the basics of starting your project and will point you to additional training resources available through Lynda.com. Please call in advance to set up an appointment. For teens and adults. MakerSpace, Level 1.

Knitting with Anne!
Fridays, June 7, 14, 21, 28, 1:00 - 3:00 PM
These classes are for both beginner and intermediate knitters! Yarn and needles are available, but feel free to bring your own. No registration necessary. For teens and adults. Magazine Café, Level 1.

3D Modeling in TinkerCAD for Beginners
Wednesday, June 12, 2:00 - 3:00 PM
Learn 3D modeling to your skill set by learning the concepts behind CAD (Computer Aided Design). Participants will gain experience with design essentials for 3D modeling programs and learn how to make their ideas into a reality. No registration necessary. For teens and adults. MakerSpace, Level 1.

Onondaga Audubon Chapter Program
Wednesday, June 12, 6:30 - 8:30 PM
Join bird watchers from the local Audubon chapter and learn about the many types of birds that make Onondaga County their home. No registration necessary. For teens and adults. Community Room, Level 1.

Dungeons & Dragons for Newbies
Friday, June 14, 3:00 - 4:30 PM
Learn to play Dungeons & Dragons at the library. Volunteers from TCGplayer will be on hand to host special "pick up" games that will introduce new players to the structure and design of D&D. For teens and adults. Community Room, Level 1.

3D Printer Training
Monday, June 17, 4:00 - 4:30 PM
In this program you will go through the training necessary to use the Ultimaker 2+ 3D printers on your own. We will teach you how to safely print designs from pre-existing files and introduce you to MakerSpace policy regarding 3D printer usage and PLA filament costs. For teens and adults. MakerSpace, Level 1.

Sewing 101: Using Brother CS-6000i
Tuesday, June 18, 4:00 - 4:30 PM
Interested in learning how to use the Brother CS-6000i sewing machine for a variety of fabric projects? If so, come to this training in which you will learn the basics. For teens and adults. MakerSpace, Level 1.

Google Expeditions Kit: Virtual Reality Trips
Wednesday, June 19, 2:00 - 3:00 PM
See Buckingham Palace, Dubai’s Burj Khalifa, the Great Barrier Reef and more without leaving the library. With Google Expeditions, more than a million students in 11 countries have explored the world with virtual reality (VR) and augmented reality (AR) tours. For teens and adults. MakerSpace, Level 1.

Gardening 101: Flowers
Saturday, June 22, 2:00 - 3:00 PM
Join Walter in the MakerSpace and learn how to plant a variety of seeds and/or plant clippings! After you plant your seeds, you may take them with you to plant at home or share with friends. Seeds and soil will be provided. For teens and adults. MakerSpace, Level 1.

Audio Production with GarageBand and Logic Pro X Software
GarageBand and Logic Pro X are fully equipped music production software available on Macs in the MakerSpace studios. Software includes a complete sound library with instruments, presets for guitar and voice, and an incredible selection of session drummers and percussionists.

Video Production and iMovie Software
Learn what’s available in the MakerSpace’s video studio for all of your video production needs. Additionally, we will introduce you to iMovie software useful for editing video clips, adding titles, themes, music and effects such as fades and slides.

By Appointment:
Please call 315-435-1813 or email ddrobnjak@onlib.org to schedule training on the following:
