

FDO Essential Day Pass Guide

Note: If you do not already have your local Funding Information Network partners encoded FDO Essential link, please contact them to request this. You can find your local Funding Information Network at <u>candid.org/find-us.</u>

- Make the most of each Foundation Directory Essential day pass for remote access by using the tips below:
 - *Prepare*: Before logging in for the first time, explore how you can use Foundation Directory by watching Candid's <u>online tutorials</u>.
 - *Timing:* Log in at a time when you can come back to the site (if needed) within a 24hour period. For instance, logging in at 1PM would give you the ability to log back in on the same pass the next morning at 9AM. Or, you could start the clock at 9AM and revisit the application on the same pass later in the afternoon/evening of that day.
 - Offline research: Take advantage of Foundation Directory's robust download/email features; you can run searches on Foundation Directory Essential and then download or email yourself the prospect list for offline reviewing.
 - *MyFDO:* When you're logged in, you can use the features of MyFDO to create personal dashboards, tag favorite grantmakers, and save searches under your username. Then you can return to them each time you activate a new pass and pick up exactly where you left off.
 - Ask us: if there is a piece of information that you need to find while you are waiting for your next pass, reach out to Candid's Online <u>Librarians</u> to ask for assistance.

- Access the pass by following the below steps:
