

Tipperary Hill Neighborhood Association Grant – Hazard Branch

The Onondaga County Public Library is submitting an application for a Tipperary Hill Neighborhood Association Grant for Hazard Branch Library. If awarded, funding will go towards starting a tool kit library at the branch, including two basic household tool kits, two gardening kits, two bicycle repair kits, and two car repair kits with materials such as battery and PSI testers and a portable tire inflator. This is part of a multi-branch effort to begin lending tool kits at our libraries, and funding will also be used to provide programming on topics covered in the kits. The budget for this grant will be \$655.

CNY Arts Grant – Central Library

The Onondaga County Public Library is submitting an application for a CNY Arts Grant for the Central Library MakerSpace. If awarded, funding will be used to hire an 8-week Artist-in-Residence during the summer to facilitate creative projects led both by patrons' personal interests and guided collaboration. MakerSpace staff will design and prepare kits for a catalog of possible projects with a printed audiovisual guide for each, including canvas tote bags, apron and grill mitts, sun hats, bike tool kit bags, stencils and templates for 3D print designs. The budget for this grant will be \$6,650.
