

From the Government Relations Board.

Plans for members of the government relations committee members to attend the next legislative meeting on July 7.

Ellen and Ed plan to attend the public comment section and thank the legislature for their support of the libraries and say that the summer reading program is in full swing at all county library branches. They will provide a few fast facts about the program and use the brief time as an effort to begin relationships with the legislature.

The Government Relations board urges members of the OCPL board to find their county representative and find ways that they can be an advocate for the libraries as a private citizen.
