

OCPL Patrons,

We are excited to announce that we will be reopening our city branch libraries on Tuesday, Feb. 16 for appointment-based services.

Please know that the health, safety and security of our staff and patrons is our first priority. As such, patrons will be required to follow the guidelines we have put in place. We will rotate hours at our locations in order to meet the needs of the community while also staying within building capacity limits.

Patrons will be allowed inside the library for one hour at a time. Prior to entry your temperature will be taken and you will be asked to fill out a COVID-19 questionnaire, provide information for contact tracing purposes and sanitize your hands. While inside the library you must wear a mask at all times and practice safe social distancing.

During your visit you may browse our collections, use computers, pick up your holds and use our copy and printing services. Our knowledgeable staff will be available to answer questions and to help provide access to all of the services we have available.

Information on when you can visit your favorite branch is available here:
