

The Nonprofit Resource Center is...

- A partner in the Foundation Center's Funding Information Network.
- Designed to serve the needs of grantseekers, funders and donors and offers information to nonprofit organizations.
- Targeted primarily to nonprofit organizations that qualify under IRS code 501c(3) to receive private foundation grants, and whose purposes are charitable, educational, scientific, religious, literary or cultural.

Training

<http://www.onlib.org/research/non-profit-resource-center>

Connecting Grantseekers with Grantmakers
Free workshops are offered periodically throughout the year. Learn about the Nonprofit Resource Center collection and receive hands-on training on how to use the Foundation Directory Online database to find new funding prospects.

Group orientations at the library, or on-site and one-on-one database instruction may be available by special request. Please contact the Nonprofit Resource Center Supervisor at 315-435-1900.

Follow the Nonprofit Resource Center for tweets about collection updates, information about training programs, and other nonprofit news.

Online Databases

Free, access at the Central Library to Foundation Center databases:

Foundation Directory Online Professional
Comprehensive profiles on more than 98,000 U.S. grantmakers, 1.6 million recent grants and 400,000 key decision makers. Keyword search grantmaker IRS 990s. Refine search results to pinpoint prospective funders using 12 indexed search fields and other custom-search options.

Foundation Grants to Individuals

Profiles on more than 8,500 foundations and public charities that provide scholarships, fellowships, professorships and research grants to students, artists and researchers.

Foundation Maps

Interactive mapping tool that uses data from the Foundation Directory Online database to visually display the scope of philanthropy, patterns of giving and funding relationships.

Free remote access to research databases:

BusinessDecision

A useful tool that combines extensive consumer household, market segmentation, and demographic data from ESRI with GIS mapping technology. Develop statistics for grant proposals. Analyze your service area to find customers and donors.

ReferenceUSA

Use for quick business or residence lookups or to create customized mailing or contact lists. Includes listings for more than 24 million U.S. businesses, 4 million new businesses, 1.5 million Canadian businesses, more than 800,000 U.S. physicians and dentists and 89 million U.S. residences.

Books & Magazines

Books on fundraising, grantwriting, nonprofit management, boards, volunteers, philanthropy and charitable giving are available for check out.

Reference collection of core Foundation Center directories and publications.

Subscriptions to: *Chronicle of Philanthropy*, *Nonprofit Times*, *Grassroots Fundraising Journal* and *Wise Giving Guide* magazines.
