

## **OCPL Librarian III Retreat**

The library would like to request funds from the Board of Trustees to hold a retreat for Librarian 3 staff and other managers who could benefit from a day of training. The retreat will take place at the Salt City Market in October, and feature training on storytelling and advocacy, emotional management, county employee relations procedures, and DEI topics. This is a full day of workshops which includes breakfast and lunch catered by the Syracuse Cooperative Market inside Salt City. Staff who attend will benefit by sharing a day of learning with each other and bringing practical skills back to their branches in their everyday work. We are requesting a total of \$1,000 to fund room rental and catering for 25 staff members to attend the retreat.
