

July

EVERSON MUSEUM OF ART

Monday, July 14 @ 11:00 AM

Join staff from the Everson Museum of Art to participate in a hands-on art making activity and learn about the museum and their collection. To be held in the staging area.

Supported by funds from the M&T Charitable Foundation.

SYRACUSE GAYMERS – VIDEO GAMES

Wednesday, July 16 @ 11:00 AM

Join us for board games and video game adventures. To be held in the staging area.

Supported by funds from the M&T Charitable Foundation.

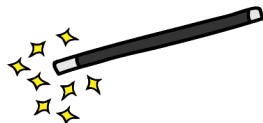

JEFF THE MAGIC MAN

Monday, July 21 @ 11:00 AM

The Color of Magic: "Come along with Jeff the Magic Man for a show where colors fly out of story books! We'll draw magical pictures with the colors of the world around us. Each child will also receive a balloon art creation after the show!" To be held in the staging area.

Supported by funds from the M&T Charitable Foundation.

ZOO TO YOU: NATURE JOURNALING

Wednesday, July 23 @ 10:30 AM

Come explore connections between art, animals, and nature! In this hands-on session, we'll delve into nature journaling, discover how the zoo uses art to enrich the lives of animals, emphasize the importance of conservation, and how art can inspire a deeper appreciation for the wildlife around us. Taught by the Friends of the Rosamond Gifford Zoo. To be held in the staging area.

OCRRA – ALL TOGETHER NOW: RECYCLING

Monday, July 28 @ 11:00 AM

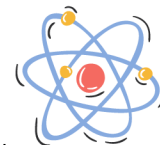

All Together Now recycling relay program during which participants would learn how to sort trash from recycling and what items are correct/incorrect. To be held in the SWCC gym.

SCIENCE DAY MINI EXPERIMENTS

Wednesday, July 30 @ 11:00 AM

Join us for exciting mini science experiments in Earth Science. To be held in the SWCC dining hall.

August

THE MOST: COLOR LAB

Monday, August 4 @ 11:00 AM

Join the MOST as we play with prisms, learn about lasers, and more in this live science demonstration! Discover the basics of the light spectrum, color theory, and how our eyes detect color – perfect for children in grades K-6.

To be held in the staging area.

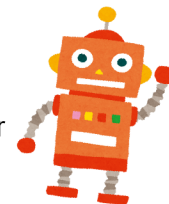

CNY ROBOTICS

Monday, August 4 @ 1 PM

A team of teens who bring a variety of equipment for folks age 5 and up to code, build and run robots.

To be held in the staging area.

THE END OF SUMMER READING PROGRAM CELEBRATION!

Thursday, August 7 @ 2 PM

Please join us to celebrate a successful Summer Reading Program with a fun party.
