Summary

The Beauchamp Branch Library hosted our Summer Reading Program (SRP) Kickoff Party on Thursday, July 2 at 3:00 p.m. Our theme was “*Christmas in July*”, so we added a cool factor to the overall fun SRP dinosaur theme. Children and Teen Librarians’ Kayla Saltamach and Raena Pellichet-Corley decorated the auditorium in a Christmas theme, and provided gift-wrapped book bundles for children and teens to take as presents. In addition, we had fun dinosaur eggs (grapes) and dino bones (chocolate covered pretzels), homemade snow, Christmas and Dinosaur-themed coloring pages, and SRP button making.

In addition, we hosted a wonderful 4-piece brass band called *The Brass Act* that played a mix of Christmas songs, dinosaur-themed songs, and classic Jazz songs. The event closed with the Parks and Recreation Mobile Recreation Truck bringing their giant Connect Four set for the kids to play with!
