Betts Summer Reading Kickoff event had 51 attendees, 44 Summer Reading Registrations, and over 30 DIY ice creams were made. Ms. Margaret did an exceptional job facilitating all the summer reading sign-ups and equipping each participant with the magical ingredients required to make their very own ice cream on the spot. Not only did Betts kickoff our SRP, but the very first session of our summer Book Buddies program, a Literacy Champion Grant awarded to OCPL by the Literacy Coalition, was a resounding success with 17 kids working with their Book Buddies.
