Summer Reading Kickoff Week!

Onondaga County Public
***Libraries**

Learn * Explore * Create

Summary

Petit kicked off its summer programming with a strong start! Our annual Summer Reading Program launched with 96 children and 18 teens already registered. We also started our adult reading challenge that features a fantastic gift basket filled with gift cards, local treats, and dinosaur themed goodies. The first children's program, a perler bead craft, drew 24 children and caregivers who enjoyed creating colorful designs together. We also hosted the Zoo for a fascinating program about elephants and welcomed back Syracuse Chess for its popular weekly Monday evening program, where players of all ages and skill levels gather to learn, play, and build community throughout July and August.
