

## **Grant Abstract**

### **TNT Grant – Paine Branch**

The Onondaga County Public Library is submitting an application for a TNT Special Projects Grant to fund a summer music series at Paine Branch Library. Some of the most popular programs at Paine are musical performances, and this funding would allow the library to expand their offerings in 2024 with more engaging and enjoyable musical events for the neighbors in the community. The budget for this grant will not exceed \$550.

Please describe your proposal for use of TNT project funds in the space below; include a budget and/or price quotes if possible.  
Please use the back or attach additional pages if necessary.

The Paine Branch Library, in Eastwood, offers a variety of free programming for the members of the local community. By far, some of the most popular programs are library musical performances. These type of music programs appeal to people of all ages. Our patrons have asked us to provide more live music performances and we would like to expand our number of programs in 2024. Funding through TNT would allow the library to offer more engaging and enjoyable musical events for the neighbors in the community.

### COST ESTIMATES:

4 Live Musical Performances to be scheduled in the spring and summer of 2024

\$100 Ukulele Player

\$100 Solo Guitarist

\$200 Jazz Band

\$150 Harp Instrumentalist

All performances will occur in the library building. The library will provide the required proof of insurance with Tomorrow's Neighborhoods Today, Inc. as additionally insured.

Does your project need any approvals? Circle all that apply. Attach supportive documents.
