

MAKING SMALL MOMENTS BIG!

FRIDAY

When you talk, read and sing with children, you're helping them build their brains and develop important language, math, reading and social skills. Use these cards every day to help your child learn through their play.

If you have questions about your child's growth or want to talk with someone about parenting, please call **2-1-1** and ask for **Help Me Grow**. For more tips and activities, visit onlib.org/makingsmallmomentsbig.

AFTERNOON
PLAYTIME

Encourage your child to pretend play. Put a few small chairs in a row to make a “bus.” Cut up some paper “money” to pay the driver. Ask, “Where will we go today?”
