

# MAKING SMALL MOMENTS BIG!

WEDNESDAY

When you talk, read and sing with children, you're helping them build their brains and develop important language, math, reading and social skills. Use these cards every day to help your child learn through their play.

If you have questions about your child's growth or want to talk with someone about parenting, please call **2-1-1** and ask for **Help Me Grow**. For more tips and activities, visit [onlib.org/makingsmallmomentsbig](http://onlib.org/makingsmallmomentsbig).

I CAN  
DO IT!

LUNCH  
TIME

LET'S  
SHARE!

Play with your child and help her learn how to share. Show her how to share and praise her when she shares with you. This is a new concept for her, so don't expect too much at this age.

LET'S PLAY  
PRETEND!

Encourage your child to pretend play. Put a few small chairs in a row to make a "bus." Cut up some paper "money" to pay the driver. Ask, "Where will we go today?"
